Stallions must not be left tied to a lorry or trailer or any other vehicle. In addition to the two stallion discs, a length of white ribbon with the British Showjumping logo on to be worn in the tail of stallions at all times. Show Organisers have the jurisdiction to disqualify any stallion from the show, if, in their opinion, it is behaving in such a way likely to cause accident and/or injury to other horses/ponies, competitors, their associates or any member of the public. Should this occur, the animal should be returned to its horsebox immediately and asked to leave the show site.
- 12. Showing Competitors:** As a courtesy to the Judge, numbers must be worn on rider's backs, not on the pony/horses bridle.

13. Points Trophies are awarded to the pony/horse rider combination that have accumulated the most points throughout the Show.

14. Rules for Grand Prix Classes: This is a three round competition. All horses/ponies jumping clear in the first round, or if there are fewer than 10 clear rounds, the 10 horses/ponies with the least number of faults go forward to the second round, carrying forward any faults incurred with them. Round two is jumped over a puissance-type course of single fences, not against the clock. Horses/ponies with the highest number of faults in the first round will jump first, followed by those with the next highest and so on. If there is equality of faults after the second round, there will be a jump-off over a shortened version of the first course. Lower placings will be decided first on the total number of faults, then on the time taken in the first round.

15. Rules for Eraser Stakes: This competition will be run as Table A4 with the exception that for the last obstacle of the course, an alternative obstacle will be provided. The alternative obstacle will not be less than 10cms and not more than 15cms greater in height of the class and will be known as the “Eraser Fence”. Each competitor may then choose to jump one or other of the alternatives which form the last obstacle. Any competitor who has incurred faults prior to the last obstacle and who jumps the “Eraser Fence” clear will then have four faults “erased” from his/her total score for his/her round (i.e. a four fault round prior to the last obstacle will then count as a clear, an eight fault round prior to the last obstacle will be reduced to a four fault total). Any error incurred whilst jumping the “Eraser Fence” will be penalised in faults in the same manner as for any normal fence (i.e. knockdown will incur four faults and will be added to the penalties incurred prior to jumping the “Eraser Fence”). The choice to jump the “Eraser Fence” is entirely at the discretion of the competitor and there will be no signal made to inform the rider whether or not he/she has incurred faults in his/her round prior to the last fence. Placings will be determined on faults and time after any adjustments have been made for successfully jumping the “Eraser Fence”.

16. Rules for Championship Classes: These classes will be run under Table A9. At the conclusion of the first round, all clear rounds, or, if there are less than 5 clear rounds, those 5 with the least faults in the first round will qualify to go forward to the jump-off. If there is a tie for 5th place, the fastest competitor will qualify. The placings will be determined by adding together faults incurred in both rounds. In case of equality of faults, the fastest time in the jump-off will determine the final placings. Lower placings for competitors not taking part in the jump-off will depend on the faults and time in the first round.

17. Rules for Double Combo Competition: The Show Organisers will pair up every competitor who enters the team event before the closing date. In the event of an un-equal number of competitors, a competitor will be picked at random to represent two teams if another competitor cannot be found. Horse/Pony rider combinations will be awarded points in each class as follows: 1st=25, 2nd=18, 3rd=15, 4th=12, 5th=10, 6th=8, 7th=6, 8th=4, 9th=2, 10th=1. Points will be given for each competitor's top two jumping classes of each day. In the event of a tie, the team with the highest placings will be deemed the winners. Teams will be picked at random and paired as follows: 128cm with a 148cm pony; Novice/Grace C horse with a Grade B/Open horse. The Organisers reserve the right to make changes to how teams are paired should it be deemed necessary.

18. Rules for the Senior Masters Class: This class is run on the basis of the “Hickstead Masters” and is a one round class in two sections (A & B). The first section (A) will be run over a course of 8-10 fences including a minimum of two doubles and will be judged under Table C, height 1.10m. Competitors will register a time for the first section (A) and then proceed immediately on to the second section (B). The finish flags for Section (A) and the start flags for section (B) will be placed together after the last jumping effort of section (A). Section (B) will consist of four vertical fences numbered 1-4, in a straight line (if space allows) on related distances and of similar appearance. The fences will be built ascending in height from fence 1 to fence 4. Section (B) will be judged under Table A. The result of this competition will be decided on faults incurred in Section (B) and time recorded for Section (A). Start and finish flags will denote the start and finish of each section.

19. Temporary Overnight Stables will be available to hire at the showground at a rate of £25 per day including 1 bale of bedding + £15 returnable deposit. Day boxes at a rate of £15 + £5 returnable deposit may also be booked subject to availability. If you would like to book a stable, please contact Jenny Leonard on 07797 724 806 or jenny_leonard1@hotmail.com. **COMPETITORS RENTING TEMPORARY STABLES MUST ENSURE THAT THE STABLES ARE MUCKED OUT BEFORE THEY DEPART USING THE SKIP PROVIDED, OTHERWISE DEPOSITS WILL BE RETAINED.**

THE SHOWGROUND IS PRIVATE LAND AND USED FOR GRAZING. PLEASE ENSURE THAT YOU CLEAR UP ANY MESS MADE BY YOU/YOUR HORSE/PONY OR DOG IN THE BOX PARK OR ON THE SHOWGROUND BEFORE YOU LEAVE. LITTER BINS AND MANURE SKIPS HAVE BEEN PROVIDED. THANK YOU FOR YOUR CONSIDERATION.

DOUBLE COMBO TEAM COMPETITION

The Show Organisers will pair up every competitor who enters the team event before the closing date. In the event of an un-equal number of competitors, a competitor will be picked at random to represent two teams if another competitor cannot be found. Horse/Pony rider combinations will be awarded points in each class as follows: 1st=25, 2nd=18, 3rd=15, 4th=12, 5th=10, 6th=8, 7th=6, 8th=4, 9th=2, 10th=1. Points will be given for each competitor's top two jumping classes of each day. In the event of a tie, the team with the highest placings will be deemed the winners. Teams will be picked at random and paired as follows: 128cm with a 148cm pony; Novice/Grace C horse with a Grade B/Open horse. The Organisers reserve the right to make changes to how teams are paired should it be deemed necessary.

HAT STANDARDS

Please note that the hat standards have changed from 2016 and standard EN1384 and BSEN1384 are no longer accepted. Whilst we will not be carrying out formal hat tagging we will be checking hat standards on occasion. I'm afraid we will not be able to allow you to take part in activities with a hat that is found not to meet the new standards. You will understand that this is for your safety.
